

SIKKIM MANIPAL INSTITUTE OF MEDICAL SCIENCES

SIKKIM MANIPAL UNIVERSITY

WEBINARS & GUEST SPEAKERS AT SMIMS

ACADEMIC YEAR

2020-2021

➤ **6th Annual & 1st Virtual International Conference** on Basic & Applied Physiology
ICONBAP 2020 was held on **5th to 7th October 2020**, organized by **Department of Physiology**.

The resource faculties/external experts/guest speakers for the event were:

- **Dr Buddha Basanyat, Director of Oxford University Clinical Research Unit Nepal**
- **Prof (Dr) Latika Mohan, Head, Dept. of Physiology, AIIMS Rishikesh**
- **Dr Ashok Kumar Jaryal, Prof of Physiology & Associate Dean (exams) AIIMS New Delhi**
- **Dr Merin Iype Chandanathill, Asst. Prof pathophysiology, American University Antigua**
- **Dr Akiko Hata, Prof, Cardiovascular Research, Institute University of California, San Francisco USA**
- **Air Command., Anupam Agarwal, Principal Institute of Aerospace, Medicine, IAF Bangalore**
- **Dr (Col) SP Singh, Addl, Prof, Dept of Physiology, AIIMS, Rishikesh**
- **Dr. Ashok Kumar Jaryal, Professor of Physiology, AIIMS, New Delhi**
- **Dr. Nishnanth Sampath, Consultant, Neurophysiologist, SRM Institute of Medical Sciences.**
- **Dr. Uditi Gupta, Physiology, AIIMS, New Delhi**
- **Dr. Megha Bir, Physiology, AIIMS New Delhi**
- **Dr. Tania Kanra, Physiology, AIIMS, New Delhi.**
- **Dr. Sanjay Patel, Physiology, AIIMS Kalyani West Bengal**

➤ **International Webinar on Infectious Diseases Preparedness:** A COVID19 challenges and opportunities was conducted on 20th November 2020 organized by Research Unit, SMIMS.

The resource faculties/external experts/guest speakers for the event were:

- **Dr Maria de Lourdes Perieria, University of Aveiro, Portugal**
- **Dr Veeranoot Nissapatorn, Walailak University, Thailand**
- **Dr Chandra S Samudi, Department of Medical Microbiology, University of Malaya, Kuala Lumpur, Malaysia**
- **Dr Sunil Kayesth, Department of Zoology, University of Delhi**

- **Dr Tooba Mehboob, Department of Medical Microbiology, University of Malaya, Kuala Lumpur, Malaysia**

➤ **Department of Anatomy conducted an online & offline webinar & a seminar on “Augmented Reality Digital and real human cadavers: Perspective of students and an expert” on the 09th of April 2021**

The resource faculties/external experts/guest speakers for the event were:

- **Professor Mark Billingham, as the international resource faculty, University of South Australia and the Director of the Empathic Computing Lab**
Title of the talk- Coding with augmented and Virtual Reality
- **Dr Karma Loday Bhutia, Consultant Ophthalmologist STNM hospital & President of Indian Medical Association Sikkim Branch**
Title of the talk “ Cadaveric importance for micro surgical procedure of the eye's and its scope with virtual reality transformation
- **Dr Polly Lama, Anatomy as the internal resource expert**
Title of the talk- “Virtual dissection and augmented reality can this be the future of anatomical teaching”
- **Professor Dr Binod Kr Tamang, Anatomy as the internal expert**
Title of the talk- “Conclusive overview: Advancement in anatomical teaching”

➤ **Department of Pharmacology organized an offline workshop on 29nd October, 2021, on the theme ‘Data Management, Systematic Reviews & Met analysis’**

The resource faculties/external experts/guest speakers for the event were:

- **Professor (Dr) Bikah Medhi, Professor, Department of Pharmacology, PGI Chandigarh**
- **Dr Phulen Sarma, Assistant Professor, Department of Pharmacology, PGI Chandigarh**
- **Dr Ajay Prakash, Associate Professor, Department of Pharmacology, PGI Chandigarh**
