Dear Sir/Madam,

To facilitate your students, we would like to also set up a digital partnership with SMU to transfer official marksheets through secure server-to-server channels. This will help SMU students receive their WES reports faster. I am including the step-by-step instructions attached. It is as easy as sending an email, but more secure and with more transparency. **Please let me know which email we can use to create the free account.**

I look forward to connecting with you soon.

Warm regards,
Aditi
